1. A bacteriological institute and laboratory are located on Koebányai Ut between Horog Utca and Monori Utca in Budapest. Source does not know whether this institute is the same as the State Bacteriological Institute (Állami Bakteriologiai Intézet) reported by other sources. He knew nothing about a bacteriology laboratory previously reported as located at Károly Ut # 24 but expressed the opinion that the address was possibly incorrect. He had no information on the War Technical Institute (Haditechnikai Intézet).

2. The Honvédségi Bakteriologiai Kísérleti Laboratorium in Budapest is a military laboratory and is probably associated with one of the three large military hospitals allegedly located in Budapest.

3. There is a Pasteur Institute in Budapest at Hoegyes Endre Utca and Uelloei Ut, near a museum for Home Industries. The Source did not know the nature of the work being conducted at the Institute, the names of the personnel associated with it, nor did he identify the Institute by any other name.

4. In the Budakeszi suburb of Budapest, there is a large tuberculosis sanatorium [REDACTED]

7. The School of Medicine and the University Clinics of the University of Budapest occupy a large tract of land near Rakoczi Ut and Museum Koezut. Three universities are located in Budapest, namely: Medicine and Law, Science, and Technology.*
8. In Hungary the cities of Budapest, Debrecen, Szeged, and Pécs have medical universities and clinics.

25X1A

Comment: These are probably the various schools of the same institution.
